

God Has a Plan For Each of Us

God has a plan for each of us.

And I have a feeling that there is such a wonderful plan for you!

I pray that the paths you walk and the roads you travel will take you to amazing places. Places where you see yourself as that SPECIAL person God designed, where you entertain possibilities, and where you begin to see these possibilities become reality

I pray that God's plan for you will gradually unfold before your eyes, and that—like guiding lights continually show you the way—you will find glimmers of hope and happiness shining every single day.

I pray that the people in your life come to know you as the SPECIAL person God designed you to be and they themselves be encouraged to be that SPECIAL person who God designed them to be.

God has a plan for each of us... and I think there is an especially wonderful one...for you!!!

You are SPECIAL!!
