

2009

Dear Confirmation Youth & Family,

I know we are all getting back to school and getting things ready for the new school year. It is time again for Zion's Confirmation program to start. Plans are underway for this year's Faith Inkubators' Confirmation. In this packet you will find important information to begin the 2009-2010 confirmation year.

INKUBATORS

FAITH

Faith Inkubators (FINK) is the curriculum we use for our 6th through 8th grade confirmation students. (The 6th grade is a suggested starting year; however youth starting in a later grade are also welcome! Please contact the church or CYD for details.) This program is specifically designed for the spiritual growth and development of middle school-aged students. Faith Inkubators utilizes music, skits, graphics, small group discussion, service events and social activities to nurture the spiritual maturity of its participants. Each middle schooler is assigned to a small group and the groups are led by adult guides. (Hint: Parents make great guides!)

Enclosed is information for all students entering Year 1 & 2 or Year 3:

- a. Faith Inkubator description
- b. Registration Form
- c. Expectations
- d. Lesson and Event Calendar

This year's FINK program will begin on Sunday, September 13th. Parents and youth are asked to come to the first lesson to get to know the program, to meet each other, to meet the guides and to ask questions. We will meet for lessons on scheduled Sundays from 12:30-2:30pm with lunch at noon (please see calendar). Please return registration forms and payment to the Zion Lutheran Church office by Sunday, September 13th!

It is Zion's hope that this confirmation program will help you and your child on their spiritual journey. If you have any questions or concerns regarding your attendance or the Faith Inkubators Confirmation 2009-2010 program, please feel free to contact the church or CYD (Chris Ziemann) at (734)994-4455.
